Van's Customer number _____

- () I would like to order a set of RV- _____ fuel tanks.
- () I would like the () left () right tank(s) modified for aerobatics.
- () I would like to have the capacitive fuel sending units installed in my tanks.
- () I have all or part of the necessary fuel tank parts and supplies from my wing kit, which I am shipping directly to you. I understand they must be in serviceable condition. I am enclosing a complete list of all parts and supplies shipped. Please purchase any parts and supplies that are not included from Vans and bill me (at cost).
- () I have a wing kit on order from Van's, and I will notify them in writing to allow them to ship the tank kit directly to you.
